"Matt's Bar & Grill, now a Minneapolis landmark, began in 1954 as a neighborhood burger eatery. Shortly after their opening, founder Matt Bristol explains how the "Jucy Lucy" was created when a local customer asked for two hamburger patties with a slice of cheese in the middle. Upon biting into this new, molten hot burger, he exclaimed "that's one juicy Lucy", and a legend was born. Customer demand grew so quickly, they forgot to add the "i" and the "Jucy Lucy" has now become a local culinary hero. Remember, if it's spelled correctly, you just might be eating a shameless ripoff!"

DRAFT BEER

MUSA

Made in Portugal. Musa is a beer for people who think "I really feel like having a beer", made by people who think "I really feel like making a beer". A beer that makes you laugh before the first sip and makes you want to dance after the second.

BUD

With more than 140 years of history, Budweiser Lager Beer is a medium-bodied, flavourful, crisp American style lager. This beer is golden in colour, with a subtle honey aroma and a trace of citrus, punctuated by notes of malt and noble hops. A balanced, full-flavoured lager. The king of beers.

STELLA ARTOIS

Stella Artois is an authentic, imported Belgian lager beer. This premium imported beer is brewed in Belgium and made with light barley malt, Tomahawk and Saaz hops. The brewing process leads to a wonderful floral aroma, well-balanced malt sweetness, crisp hop bitterness and a soft dry finish.
